

TPCODL/P&S/100000072/2021-22-"Supply of Polycarbonate Seals"				
Sr. No.	Reference to Tender Document.	Description as per Bid Document	Query/Clarification	TPCODL Response
1	Document No 1: Event Information Clause No: 1.4.4 (Page No 6) And Point No 7 in Clause No 7.1 (Page No 13)	Bidder shall submit sample meter seals as per applicable technical specification in this tender. The sample shall be submitted at TPC office. A confirmation of submitted sample is to be shared by bidder before tender opening. In case of non-submission of energy meter sample, TPC reserve the right to reject the bid for further acceptance / evaluation.	Please advice on which color needed of sample seal along with address on which sample seals needs to be sent.	Tender samples are required to be submitted in all 9 colours as per technical specification of TPCODL. The tender sample may be submitted at the following address:- Chief (Procurement & Stores) TP Central Odisha Distribution Limited 2nd Floor, IDCO Towers, Janpath, Bhubaneswar-751022
2	Technical Specification 5.1 Design, Point No 5.1.4 (Page No 65)	The double anchor should not be so soft that it can be easily pressed before sealing, so that after pressing the seal cannot be opened	Is it seal required Pre temper doing of anchor - and if any one try to press anchor with plier and anchor should not be pressed but it should be restored to its original position and after pressing Anchor, seal should be locked properly (Anti Pre Tamper Anchor Design)	Specification to be complied. This is a Anti-tamper feature. The double anchor should not be so soft that it can be easily pressed before sealing. The seals should not be opened after locking.
3	Technical Specification 5.10 (Patent): Page no 62	Seals should be patented or design is registered with patent office. Copy of patent certificate /lease & patent drawing/design should be submitted for verification along with the offer. This should comply to the latest CEA guidelines & its Bidders responsibility to provide genuine documents complying to statutory guidelines	As per CEA guideline seals should be 'PATENTED', valid 'PATENT CERTIFICATE' is allowed no 'Patent design registration' is allowed. The CEA regulations clearly mentions requirement of Patent whereas you are asking for Patent or Design registered with patent office which is contradictory. Pls clarify	To be complied as per CEA guidelines.
4	Clause No. 2.0 (j) & (k) Sub Clause no.18.0 of 18 VS Clause No. 5.10.	As mentioned in CEA regulation 2006, OERCD (Odisha Electricity Regulatory Commission Distribution) code 2019 & GTP (Guaranteed Technical Particulars), that " Patented seals " are required. Whereas in clause 5.10 "Patented or design is registered with patent office". is mentioned.	In Clause No. 2.0 (J) & (K) of Applicable standards and Sub Clause no.18.0 of 18 in Guaranteed Technical Particulars, it is clearly indicating of " Patented seals ". Whereas Clause no. 5.10 of Patent is contradicting with Guideliens and Regulataion. Kindly Confirm.	To be complied as per CEA guidelines.
